Dear Girls Volleyball Sponsor,

Our annual Girls Volleyball League will be here before we know it. We are beginning to organize for the 2019 Martinsburg-Berkeley County Parks and Recreation Girls Youth Volleyball season. The league offers instruction and competition to young women of Berkeley County. The past several seasons we have had over 230 participants that have played in our league and we hope to bring the same amount and/or more as our league continues to grow each year.

Your sponsorship of a team will help with the cost with league expenses such as equipment, uniforms, trophies, etc. As a team sponsor, the name of your business will be advertised on the uniforms and the league signage for the entire season. The team sponsorship fee for the season is \$150.00.

We thank you for supporting the Girls Volleyball League and appreciate your time to consider this request.

Sincerely,

Lauren Mumaw
Deputy Director of Recreation
Martinsburg – Berkeley County Parks and Recreation
