The Capitals were awarded funding from an Industry Growth Fund last year, and the organization has used those funds to upgrade inline hockey rinks in Hagerstown, Maryland and three locations in Loudoun County, Virginia. Plans were also put in place to upgrade Oatesdale Park in Martinsburg, WV. The Washington Capitals will be renovating our In-Line Hockey rinks at Oatesdale Park in the spring of 2019. **\*\*Please be aware that this renovation is scheduled to begin in spring 2019. Demolition and construction may be taking place prior to and during the current spring 2019 Hockey season. Schedules may be delayed, changed and/or cancelled. Thank you for your cooperation and patience. We hope that this renovation helps spark others interest and improve our leagues.**
