# GAME RULES

## NFHS RULES WILL APPLY IN ALL SITUATIONS EXCEPT FOR THE FOLLOWING:

- All divisions will play **four 6-minute quarters** with the exception of **Grades 9-12**; quarters will be 7 minutes in length.
- **Overtime** (in all divisions) will be **3 minutes** in length.
- Each team will have **two full**, and **two 30 second** time-outs. One additional timeout will be awarded to each team if play goes to overtime.
- Once play has reached **the 4th Quarter**, if a team leads by 20 or more points, the clock will continue to run except when the follow takes place: a time out is taken, a technical foul is given, or an injury occurs.
- All rosters must be solidified by START of FIRST game.
- Up to **two** players per team (**within the same organization**) may play on a **maximum of two rosters** given they are the correct age/grade.
- Teams that are late will have a **10 minute grace period**, after the official game time to arrive. At that time they must have 5 legal players to start the game or they will have to **forfeit**.
- Teams (all divisions) may press full-court the entire length of the game.
- If a player receives **two unsportsmanlike technical fouls** in a game, they will be disqualified for the remainder of that game and must sit out the next game of the tournament. If a player or coach receives a total of **three unsportsmanlike technical fouls** within our tournament, they will be suspended for the remainder of the tournament and the entire following tournament, if registered to play or coach.
- **Tiebreak rule**—After pool play completed, the head to head record will determine bracket seeding. Fewest points by opponents will determine seeding if head to head record cannot determine seeding.
