The Berkeley County Youth Soccer League is gearing up for the 2021 spring season. The league offers instruction and competition for boys and girls ages 6 to 14. Each season we take on new endeavors to help better our league and through the support from local businesses we are able to do so. Your sponsorship helps to take care of costs for things such as jerseys, equipment and more for our league.

Sponsorship is also an advertising tool for your business with players wearing a jersey with your business name printed on each one. These jerseys are kept by the players and it is very common to see children wearing them all over Berkeley County during and after the season! The cost of sponsorship is \$125 per team.

We appreciate your generous support in helping us to provide a quality program to the youth of Berkeley County.
