2021 GIRLS' VOLLEYBALL SPONSORS

Preparations are underway for the 2021 M-BC Parks & Recreation Girls' Volleyball League season, which will be here before we know it. The league offers instruction and competition to young women of Berkeley County. The past several seasons have had over 230 participants in the league and it is our hope to bring the same amount, if not more, as the league continues to grow.

Your sponsorship of a team will help with league expenses such as equipment, jerseys, trophies, etc. As a team sponsor, the name of your business will be advertised on the jerseys and the league signage for the entire season. The team sponsorship fee for the season is \$150.

We appreciate your time and consideration of this request to support the Girls' Volleyball League.

2021 GIRLS VOLLEYBALL LEAGUE SPONSOR
